

# One lamp. Your switch. Two light settings.

Change your room ambiance to suit whatever you're doing. With the Philips SceneSwitch LED lamp, you can easily change the setting from bright light, to natural light and to a cozy warm glow. All you need is your existing switch.

# High quality light

No visible flicker

#### Light beyond illumination

· No dimmer or additional installation needed

#### High quality LED light that lasts for decades

• Designed for the comfort of your eyes

# Highlights

#### No visible flicker

When your light flickers in quick succession it could be hard on the eyes, cause headaches, and even set off an attack for those with photosensitive epilepsy. It's both unpleasant and unnecessary. LEDs can flicker because of their rapid response to the driver current. However, because Philips LEDs are designed so that variations in your driver current's output are minimized, they eliminate the factors that cause flicker. So, you won't see it, not even a hint.

# Plug and play

Does not require any additional installation or a dimmer switch. This bulb is not suitable for use with dimmers. If used on a dimmer set the dimmer setting to 100% brightness.

# Designed for the comfort of your eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

# Specifications

#### **Bulb characteristics**

· Intended use: Indoor

· Lamp shape: Non directional bulb

· Socket: E27

Bulb Finish: FrostedDimmable: NoBulb Material: Plastic

#### **Durability**

• Number of switch cycles: 100,000

· Nominal lifetime: 15,000

#### **Environmental**

 Disposal of the product: At the end of (economic) life, dispose the product according to local rules and do not dispose the product with regular household waste. The correct disposal of your product will help prevent potential negative consequences for the environment and human health.

#### **Light characteristics**

· Beam angle: 150 degree(s)

· Color rendering index (CRI): 80

• Color temperature: 3000-6500 K

· Nominal luminous flux: 880 lm

 Luminous Efficacy (rated) (Nom): 110 lm/W

#### Miscellaneous

• EyeComfort: Yes

· LED Innovations: EyeComfort

· Extra Features: SceneSwitch

#### **Packaging information**

• EAN: 8719514387829

• EOC: 871951438782900

 Product title: LED SSW A60 8-70W E27 WH-CDL 1PF/12 APR

# **Power consumption**

• Power factor: 0.5

Voltage: AC 220-240 V

• Wattage equivalent: 70 W

Power Consumption: 8 W

#### Product dimensions and weight

• Overall height: 111 mm

· Overall length: 111 mm

· Overall width: 61 mm

# **Technical specifications**

• Frequency: 50-60

# Packaging dimensions and weight

• EAN/UPC - product: 8719514387829
