Highlights

Easy plug and play

WiZ works with your existing Wi-Fi router, no additional gateway is needed. Simply plug in your new light, download the WiZ app and you're ready to go!

Control from anywhere

Control your WiZ lights wherever you are with smartphone. No need to worry if you've left your lights on before leaving home. WiZ app is available for iOS and Android.

Go hands-free with voice control

Control your lights with just the sound of your voice, simply enable integration with Google, Alexa or add to your Siri shortcuts.

Smart dimming

Dim your lights to your desired brightness level via your smartphone, remote or your voice. No need to install an expensive dimmer.

Automate your light with schedules

Automate the lights to fit your daily or weekly routines. Schedule your light to turn on before you arrive home and keep it off when not needed.

Energy monitoring

The WiZ app keeps records of the energy consumption of your lights. View your weekly or daily report and plan your lighting wisely for an optimized energy consumption at home.

Cool white light

Brighten up your home with energizing cool white light. A smart light that simply adapts to your daily activities.

Uniform light distribution

Get even light throughout the room with this light, which uniformly distributes its soft, bright light throughout the room.
