

PHILIPS

Smart Plug

Smart Accessory

Plug and Play

Compatible with Alexa &
Google Home

Control with app or voice

8719514386822

Easy, wireless control

Make any wall socket smart with the WiZ smart LED smart plug. Control your plug with the WiZ app or your voice: turn your favorite traditional lamp on and off with a tap, for example. With schedules, you can turn devices on and off to fit your daily routine and save energy.

Easy setup

- Easy plug and play. Works with your existing Wi-Fi.

Smart control

- Control anywhere with your smartphone.
- Voice control via Google Assistant, Alexa and Siri.

Smart devices

- Automate your device with schedules
- Make ordinary devices smart: lamps, fans and more.

Highlights

Easy plug and play

WiZ works with your existing Wi-Fi router, no additional gateway is needed. Simply plug in your new plug, download the WiZ app and you're ready to go!

Control from anywhere

Control your devices wherever you are with smartphone. No need to worry if you've left your devices on before leaving home. WiZ app is available for iOS and Android.

Go hands-free with voice control

Get hands-free control and use your voice instead. With voice-activated devices from Google and Amazon or use Siri shortcuts, you can control your devices with just the sound of your voice

Make ordinary devices smart

Control ordinary lamps, decorative lights, fans, coffee machine and more. Works with devices that only need power on to function

Automate your device with schedules

Schedule your device to turn on / off to fit your daily routine and save energy
