Bring design into your garden

- High quality aluminum and superior synthetics

Advanced light for outdoors

- High power LED
- Philips offers 5 year warranty on the LED module and driver

Special characteristics

- Weather proof
- Long operating life

Highlights

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

High power LED

Philips outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output and high light quality and long lifetime.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Weather proof

This Philips outdoor lamp is especially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

Long operating life

Philips LED lights offer an average of up to 25,000 hours (which equals an average of 25 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycle).

Specifications

Design and finishing

- Color: Black
- Material: Metal
