• EyeComfort - light that's easy on the eyes

Material & finishing
• Durable aluminum housing

Durability
• Long life span up to 25,000 hours

Highlights

Super slim design
Slim design is ideal for low-ceiling rooms, sitting flush against the surface.

Bright light with uniform distribution
To really light up your rooms, choose this uniform distribution light which throws light evenly across the space.

Bright and even light
Light is clear and distributed evenly around your space in a dependable manner.

Durable and impact resistant die-cast aluminum housing
The die-cast aluminum housing of this item adds to a cultivated and refined contemporary atmosphere.

Eyecomfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Durable aluminum housing
Creates a strong, clean and contemporary style for your space.

Long life span up to 25,000 hours
Philips LED technology extends your product's lifetime up to 25,000 hours
