Highlights

Superior light quality
High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Reliable quality
Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

Premium materials

Resistant to all weather

This Philips Hue outdoor sensor is specially designed for use in outdoor environments and has undergone rigorous tests to ensure its performance. This lamp is designed with IP54: it is protected against water splashed from any direction. The product will withstand heavy rainfall and other weather conditions.
