Philips Uni Posttop Classic: Urban Street Light targets at residential areas, pathways, Plazas, etc.

Uni Posttop Classic

Inspired by the well-known street lanterns in 20th Century, the Philips Uni Posttop classic mixes the conventional classic with Philips's modern design, meeting various criteria in quality and safety while providing outstanding lumen performance under the standard of street lighting. The classical housing creates a contemporary feel which fits not only traditional settings but also modern environments. In addition, to cater for different needs in application scenarios, Philips Uni Posttop provides two optics option, i.e., symmetric and asymmetric. Besides, the Philips Uni Posttop classic features a NEMA socket in option, which enables this fixture ready for smart system based on 1-10V or Dali 2.0 interface.

Benefits
· Contemporary shape inspired by traditional lanterns.
· Suits not only traditional settings but also modern environments.
· Ready for Interact and other smart systems.

Features
· Optimized optics for efficient and comfortable lighting levels
· Ready to be paired with Interact and other lighting controls
