

Stand-alone 3 hours compliant Exit Signs

Exit Sign

Safety is important for building owners, and therefore having proper emergency lighting in place is a major concern for them. The Exit Signs EM155C and EM159C offer an easy solution for stand alone emergency lighting, that is fully compliant with European regulations. The lithium battery (LiFePO₄) has many advantages over nickel based products, as it has a longer lifetime, better discharge behavior, is produced in a more welfare friendly way and can be recycled. Legends, recessed mounting kit as well as suspension kit are available as accessories.

Benefits

- Meets European standards for emergency lighting luminaires.
- Lithium based battery type provides longer lifetime, low self discharge and high temperature tolerance.
- Welfare friendly solution versus nickel-based products as the battery can be recycled.

Features

- 3 hours emergency lighting
- Manual and Self-Test options
- Up to 30 m viewing distance
- Maintained / Non- Maintained Emergency lighting
- Recessed kit and Suspension kits available as accessories

Application

- Exit and Emergency
- Offices
- Retail
- Hospitality
- Manufacturing
