

Best-in-class performance for an integrated solution

Fortimo DLM EaseSelect

Fortimo DLM EaseSelect has redefined the performance of 'one-box' integrated downlight modules. You can confidently design-in an integrated solution, which significantly simplifies assembly, without compromising on the performance of your high-end LED downlight luminaires. Manufacturing your next generation luminaires with the Fortimo promise of high-performance just got easier.

Benefits

- Easy to design-in to a wide range of luminaires and applications
- Integrated driver-on-board (DoB) solution with best-in-class TLA (Temporal Light Artefacts) performance
- Excellent quality of light

Features

- Efficacy up to 120 lm/W
- Same mechanical footprint as Fortimo DLM Flex
- Push-in connectors for easy wiring
- DC compatibility for emergency lighting
- Long lifetime >50,000 hours

Application

- Retail
- Hospitality
- Office
