

Safety, compliance and peace of mind

TrustSight LED emergency drivers

Philips TrustSight LED emergency drivers and batteries are a failsafe solution. A simple choice if you design or manufacture fixtures for indoor applications that do not have emergency power as a back up for their lighting.

Benefits

- Easy to design-in
- A long and reliable lifetime
- Safe and secure installation
- Compliance with all European Norms in emergency lighting

Features

- Fast shift over to emergency mode in case of mains failure
- Integrated automatic self-test
- Conditioned automatic discharge of batteries
- Specially developed batteries for emergency lighting
- Trusted and proven technology

Application

- Retail
- Warehouse
- Office
