

The lowest integral lighting costs.

CertaFlux

The CertaFlux RDL portfolio has three key benefits. First, it provides the right quality of light at an affordable initial price. Second, the optimized lengths for standard applications, together with plug-and-play simplicity, enable fast and easy assembly. Third, thanks to a reliable lifetime of 50,000 hours, it's virtually maintenance free. So you'll enjoy a low cost of ownership with a rapid payback time.

Benefits

- Affordable initial price
- Uniform beam
- Fast and easy assembly

Features

- CRI up to 85
- Up to 120lm/w
- CCTs: 2700, 3000, 3500, 4000, Meat.
- Shelf Lengths(mm) : 575, 855, 1150
- Canopy Lengths (mm): 575, 855, 1150
- Door Lengths (mm): 1500, 1650 SD/CTR
- Complying with eco-design.

Application

- Cooler and Shelf
