# **PHILIPS** Lighting

## The most costeffective outdoor spot light with better efficient and performance

### UniPoint

Our UniPoint is designed to produce both general and accent lighting while concealing the body of the device, allowing only the light to be exposed. This design can be used to change the surroundings by adding subtle or dramatic contrasting effects. It also includes exclusive features such as energy efficiency, chromatic quality and miniaturization. We guarantee extreme reliability and high level of resistance to adverse weather conditions and vandalism

#### Benefits

- $\cdot$  In stylish and very compact design
- Price point versus PHILPS standards
