SunCrest All-in-one Solar Post top power range from 10watt to 30watt, with high efficacy upto 190 lm/w for higher output.

SunCrest All-in-one Solar Post top

Integrated solar street light with Lithium Ferro Phosphate battery, solar panel and charger built into the luminaire. Microwave based motion sensor for optimizing battery autonomy.

Benefits

· Die-cast aluminum housing for durability
· UV stabilized polyester powder paint finish for durability and corrosion resistance.
· Sleek design to reduce wind resistance.
· External charging port ensuring easy battery charging for long transpiration / storage
· Brings light to areas without access to electric grid
· Saves energy, Environment friendly

SunCrest All-in-one Solar Post top

Features
· High luminous efficacy 190 lm/w to maximize battery performance
· MPPT intelligent controller for optimized charging.
· Intelligent smart power mode to maximize autonomy
· Deep cycle battery for longer life class.
· IP65 and IK08 for weather resistant and vandal proof installation

Application
· Pedestrian area lighting
· Amenity lighting
· Garden, park, plaza lighting
· Community area, City beautification

Warnings and Safety
· Solar panels are fragile,so please do not scratch or bump when installed. Scratches, dirt and shelter on the surface will affect the power generation efficiency of solar panels.

Solar All-in-one Post top

Solar All-in-one Post top

Dimensional drawing

Product Size (Unit: mm)

SunCrest All-in-one Solar Post top

Light Technical

Color rendering index (CRI)	>70

Operating and Electrical

Battery charging & discharging cycles	2000
Battery type	LiFePO4
Battery voltage	12.8 V
Charge controller type	MPPT
Grid connection type	Off grid
Panel peak wattage	35 W
Panel type	Mono crystalline
Panel voltage	18 V

Controls and Dimming

Dimmable	Preset Dimming
Configurability	Not configurable
Solar dimming profile	2H-Detected-100%, None-30%; 3H-Detected-70%, None-10%;7H-40%, None-10%

Mechanical and Housing

Battery location	Inbuilt luminaire
Ingress protection code	IP65
Overall height	180 mm
Overall length	570 mm
Overall width	370 mm

Approval and Application

Ambient temperature range	-10 °C to 55 °C

Light Technical

Order Code	Full Product Name	Correlated Color Temperature (Nom)
