Product Description

MASTERColour CDM-TP

Range of protected, high-efficiency, discharge lamps with a stable colour over lifetime and a crisp, sparkling light to be used in open luminairs

Benefits
· High lamp efficacy results in low operating costs and low heat generation
· Stable colour impression over lifetime
· Long lamp life compared with incandescent and halogen lamps
· Relatively low heat output enhances comfort for shoppers and staff
· All types have UV-Block filtering for reduced fading risks

Features
· Crisp white light
· Superior colour quality
· Lamp design is well-suited to be used in luminairs for power-spots (high intensity) and high-bay general lighting
· Double UV-Block quartz sleeves and a hard-glass outer bulb

Application
· Shops and shop windows, offices and public buildings
· Decorative outdoor: floodlighting and pedestrian areas

Warnings and Safety
· Lamps may use electronic or electromagnetic control gear
· Control gear must include end-of-life protection (IEC61167, IEC 62035)
· A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
