

Low Voltage Capsules

Low Voltage Capsules

Functional light with substantial energy savings. Philips Halogen Low Voltage Capsules provide sparkling, white light. These lamps offer an average rated life of 2000 hours making them perfect for undercabinet or task lighting.

Benefits

- Bright white light

Features

- Must always be used in an enclosed fixture.
- Low voltage types require a fixture with a 12 volt transformer. Never interchange 12 and 120 volt types.
- Available in: T3: 10 and 20 watt; T4: 35, 50 and 75 watt.

Application

- Ideal for desk lamps, undercabinet fixtures, cabinet lighting, and more.

Warnings and Safety

- This lamp is pressurized and could shatter, so to avoid any injury and to avoid exposure to ultraviolet radiation, use only in fixtures that provide a protective shield of tempered glass.
