Easy, effective, smart lighting for all.

Interact Ready Luminaire-integrated Sensors

Take advantage of the convenience and simplicity of Interact Ready luminaire-integrated wireless sensors. Enjoy automatic control based on occupancy detection and daylight variation, all without the need for in-field controller or sensor installation. Plus, with easy zoning and re-zoning through the Interact app, you can customize your lighting system without worrying about wiring constraints. Say goodbye to time-consuming installations and hello to hassle-free energy savings. Make the smart choice and choose Interact Ready luminaire-integrated wireless sensors for a truly optimized lighting experience.
