

Best supporting act

Next Brackets

The Next bracket will showcase your luminaire as it would be supported rather than suspended, allowing the luminaire ensemble to display geometric shapes and thus making it very current.

Benefits

- Compatible with our Accante range of conical poles
- Compatible with all Philips standard and advanced public lighting systems

Features

- Available in single arm, double arm, pole-mounting and wall-mounting versions
- Length range: 300 or 500mm
- Luminaire fixing: supported

Application

- Residential areas
- City centers, villages
- Historical environments
- Parks and squares
