

Compact LED spot that's the right fit for energy savings

StoreFit

Retailers are always looking for ways to reduce their environmental footprint and energy cost. With this StoreFit projector, conventional CDM luminaires can be replaced effortlessly with LED, leading to significantly less power consumption. The subtle and compact design reduces the visibility of the StoreFit projector in the store, and keeps shoppers' attention on the merchandise available on the shelves. As an affordable LED projector, this spot will enable you to start saving on energy costs straight away.

Benefits

- The small spot head results in a very discreet design
- Perfect LED replacement for CDM conventional luminaires
- Low initial investment
