

Product Description

CDM

Compact reflector discharge lamps with quartz outer bulb

Benefits

- High beam intensities thanks to the short arc, axially mounted discharge arc and compact lamp dimensions
- Sparkling light for fresh white colour impression
- Stable colour over lifetime
- Excellent colour rendering
- Low operating costs through high lamp efficacy
- Long life compared with halogen lamps
- Low heat output increases personal comfort
- UV block reduces risk of fading

Features

- Long life
- High efficiency
- High colour rendering index (Ra 90)

Application

- Advertising/text projection
- Fibre optics
- Decorative outdoor, architectural lighting
- Shops and shop windows

Warnings and Safety

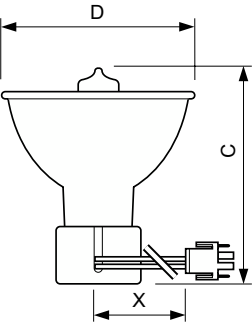

- A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
