NatureConnect scene set

LP912P NC SCENE & OCC SET V1

NatureConnect by Signify brings the benefits of natural light indoors.

Scene set is a kit that enables the day-rhythm lighting scene as well as the relax and energy scene in combination with NatureConnect luminaires.

Features

Gives inputs to luminaires, allows selection of the scenes and dimm light levels, occupancy sensing.

Enables additional DALI DT8 luminaires to be synchronized with the NatureConnect lighting scenes.

Suitable for small offices, focus rooms, examination rooms in hospitals, lobbies, receptions, waiting areas.

Technical data

N. of set per lighting zone	1x set for lighting zone
Max. amount of luminaires per set	10x NatureConnect mini island 3x NatureConnect large island 4x NatureConnect small island (max 64 DALI addresses)
Power supply input voltage	100 – 240 V AC

Benefits

Sensors supports energy savings dimming down or turning off luminaires when no presence is detected.

Able to connect with other DALI systems like Dynalite or Interact.

Switch is battery free and wireless. It allows the user to choose between the automatic Day Rhythm or one of the two specific natural Light Scenes.

Day rhythm runs automatically to ensure the right light at the right time of the day, unless one of the other Light Scenes is selected by the user.

Energize and Relax scenes can be used to tailor the environment to the user's specific activities and needs.

Day Rhythm

Provides dynamic light throughout the day following the rhythm of the sun

Energize

Get instant energy boost

Relax

Relax and clear your mind
