### Smart lighting functionalities easy to set up

Enjoy the benefits of smart features instantly, just by connecting your WiZ light to your Wi-Fi network. Control lights easily when you're away from home and scheduling lights to go on and off automatically. No need to install additional hardware such as hub or gateway!

### Control with any Matter smart home platform

This product is Matter certified, allowing easy control through Google Home, Amazon Alexa, Apple Home, or any other Matter-based smart home platform of your choice.

### Set up lights to follow your own schedule

Automate your smart lights to follow your daily or weekly routines. Schedule your lights to turn on in the morning or before you arrive home, and to keep them off to save energy, when they are not necessary.

### Millions of colors and changing light modes to make your day

Choose any light color you like or simply apply a dynamic light mode we designed for you. Fireplace or Ocean, for example, will help you create an amazing atmosphere and lift your mood.

### Set the right ambience with tunable warm to cool white light

Choose from a wide range of energizing cool white to soft warm white light, or simply select from the preset modes such as Focus and Relax to create the best ambience for your activities.

### Control smart lighting the way you like it

WiZ enables you to control smart lighting in multiple ways. Adjust lights with your smartphone, voice, the WiZ remote control, or by using the existing wall switch to toggle between two favorite modes. Works with Google Home, Alexa and Siri Shortcuts.
