Smart lighting for your daily living

Put the spotlight on your comfort and well-being! These smart spots have the standard GU10 shape that you know and love, but their real glass lenses bring an extra touch of elegance. And they offer you something that's anything but standard: tunable white light for all your needs and moods. Schedule cool white light when you need to get things done, or cozy warm white light when you want to kick back and relax—whatever lets you live your best, most comfortable home life. All this plus control via your voice, the WiZ remote, or the WiZ app whether you're home or away. Philips Smart GU10 spots connect using your existing Wi-Fi, no there's no additional hardware, networking, or setup required.
