Highlights

Perfect to relax and socialise
The living room is the heart of any home - a place where families gather to relax and guests socialise. Lighting for your living- and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and to give the room a warm and welcoming feel.

LED protective cover for optimal light source insulation and ensure safety
Protects the LED itself to ensure it is protected when travelling and installing.

Premium faceted crystals for sparkling light effect
Faceted crystals a touch of refined, vintage charm to your space.

Remote control included
The remote control offers easy control of all the functions of the ceiling fan and light. Switch the light or fan on or off, choose from three fan speeds, cycle through SceneSwitch light settings or timers.
