# Highlights

# EyeComfort — light that's easy on your eyes

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they meet EyeComfort requirements. This Philips LED luminaire not only delivers comfortable light, but also stays that way for the duration of their lifespan, delivering

consistent light quality, output and colour for more than a decade.

#### Expressive and elegant form

A clean, modern design provides elegance and sophistication to your rooms.

#### Super slim design

Slim design is ideal for low-ceiling rooms, sitting flush against the surface.
