WARNING: Luminaires shall be connected to the supply in compliance with the national standard of the country where the luminaires will be installed. Should you have any doubt, please seek advice from a professional electrician.

1. Product introduction

We hope that you enjoy WIZ mainstream color strip, creating your light shape with a nice decoration and ambience.

Box content: mainstream color strip, power adaptor*1, control box*1, mounting accessories package*1, user manual*1

2. Safety instructions

Always respect electrical specifications described on product label. The product is not suitable for working condition below -10 degrees centigrade.

The product is only suitable for dry indoor usage.

Do not connect the LED strip to the supply while it is in the packing or wound onto a reel.

- Do not interconnect parts of this LED strip with parts of another manufacturer's strips.
- Use only the LED driver and control box provided with the LED strip kit.
- This led strip is non-extendable.
- Be cautious of static electricity during installation and usage.

To reduce the risk of strangulation the flexible wiring connected to this luminaire shall be effectively fixed to the wall if the wiring is within arm's reach.

3. Warning before installation

Always disconnect from main supply before installation, connection and servicing.

Any installation, repair can only be carried out by the manufacturer, his service agent or similarly qualified person.

Be cautious of static electricity during installation and usage.

4. Installation steps

- Refer to installation manual for the detailed steps;
- Launch WIZ app to connect the product;
- Controlling with the Control box:

Button	Function
Short press	Turn the light on/off
Long press when light on	Adjust brightness
Long press when light off	Pairing
