LED Glass HID lamps

Philips Glass HID lamps offer you an easy, short-payback LED solution to replace High Intensity Discharge (HID) lamps. Thanks to our High-Power LED filament technology, this new generation of indoor/outdoor glass lamps brings all the energy-efficiency and long-lifetime benefits of LED to HID replacement, while providing instant savings with a low initial investment. They are designed to have the same aesthetics, lamp size and light distribution as the HID lamps they are replacing, so the upgrade to LED is easier than ever!

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process, we innovate to reduce our environmental impact by taking climate action and by focusing on circularity and bring wider benefits to the world we operate in via social aspects as food availability, health & wellbeing, and safety & security.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.

Energy

- **Dimmable:** No
- **Luminous Efficacy (rated) (Nom):** 156.00 lm/W
- **Power (Rated) (Nom):** 32 W

Circularity

- **Nominal Lifetime (Nom):** 25000 h

Packaging

- **Copy SAP Weight Paper Unit (Case):** 2.293 lb
- **Copy SAP Weight Paper Unit (Piece):** 0.168 lb

Substances

- **EU REACH SVHC declaration:** Yes
- **EU RoHS compliant:** Yes

Weight & Materials

- **Copy Net Weight (Piece):** 0.485 lb
